

## OUR SUSTAINABILITY MESSAGE

Dear guests, business partners and employees, **HOLIDAY INN RESORT BODRUM** As a hotel, we are trying to leave a better world for future generations . Adopted policies have been created for sustainable tourism. In the light of these policies, we would like to share with you the approaches that have been made, are being made and will be made by our business;

- ❖ Ensuring the efficient use of natural resources (energy, water, fuel, etc. )
- ❖ Reducing waste, amount of waste, and products that harm nature.
- ❖ Protection of endemic plant and animal species,
- ❖ To protect the occupational safety and health of our employees, guests and business partners and to take precautions,
- ❖ Measuring and reducing carbon footprint,
- ❖ Protecting, benefiting and promoting local people, local culture and cultural heritage,
- ❖ To raise awareness on social issues such as women's rights, gender equality, children's rights and abuse, and animal rights,
- ❖ To contribute to the support of employment and livelihoods of local people,
- ❖ Using environmentally friendly products,
- ❖ In-house training is provided for staff awareness and development.
- ❖ To analyze possible risks and opportunities and to continuously improve and develop...

climate change and global warming is felt more and more each passing day, we aim to fulfill our responsibilities in the best way possible and strive to ensure that our employees adopt environmental awareness. We aim to increase our success day by day by focusing on effective management of sustainability risks and ensuring sustainable growth with long-term strategies.
